RE: Arizona Public Service Company's Home Energy Information (HEI) Pilot Final Report, Docket No. E-01345A-10-0075

Pursuant to Arizona Corporation Commission ("Commission") Decision No. 72215 (March 3, 2011), Arizona Public Service Company ("APS") was required to file an HEI Pilot final report:

Arizona Public Service Company shall file, in Docket Control under Docket No. E-01345A-10-0075, a final report on the HEI pilot program by December 31, 2012, assessing all of the gathered information and state why it believes this program should or should not be fully implemented. (page 19, lines 5-8).

Pursuant to Commission Decision No. 73089 (April 4, 2012), the Commission approved an extension of the HEI Pilot as proposed in APS's application through 2013.

[T]he HEI pilot period be extended so that two summers of information may be captured, as proposed in the original application and as approved by the Commission. (page 58, lines 1-3).

In APS's 2013 Demand Side Management Implementation Plan (Docket No. E-01345A-12-0224), APS requested an additional extension of time to complete the HEI Pilot through 2014. Since the HEI Pilot has not yet been completed, a final report is not available at this time.

Although APS's request for an extension has not yet been approved by the Commission, Staff has recommended granting the Company's request and extending the deadline for the final report through February 13, 2015. Please see Staff's Recommended Order dated October 30, 2013 (page 40 lines 24-26) and Staff Proposed Amendment No. 2 dated December 5, 2013 in Docket No. E-01345A-12-0224.
